Rcpp: Seamless R and C++ Integration

The 'Rcpp' package provides R functions as well as C++ class libraries. Documentation about 'Rcpp' is provided by several on these last two.

Version: 0.12.2
Depends: R ($\geq 3.0.0$)
Imports: methods, utils
Suggests: [RUnit](#), [inline](#), [rbenchmark](#), [highlight](#), [pk](#)
Published: 2015-11-15
